Warm Wishes and Sunny Smiles to Our Wonderful Seniors!

Welcome to June, dear friends! As the days grow longer and the sun shines brighter, we embrace the joys of early summer. This month is all about celebrating connections, enjoying the outdoors, and keeping ourselves happy and healthy.

Embracing the Outdoors Safely This June!

June invites us to step outside and enjoy nature's beauty. Whether you have a green thumb or simply love a gentle stroll, here are some tips to make the most of it:

- **Hydration is Key:** As temperatures rise, it's more important than ever to stay hydrated. Drink plenty of water throughout the day, even if you don't feel thirsty. Keep a water bottle handy and consider setting reminders.
- **Sun Protection:** When heading outdoors, remember your hat, sunglasses, and broad-spectrum sunscreen with an SPF of 30 or higher. The sun's rays are strongest between 10 AM and 4 PM, so try to plan outdoor activities during cooler morning or late afternoon hours.
- **Light and Loose Clothing:** Opt for light-colored, loose-fitting clothing made from breathable fabrics like cotton to help you stay cool and comfortable.
- **Know Your Limits:** Listen to your body. If you feel dizzy, nauseous, or excessively tired, move to a cool, shaded area and rest. Don't hesitate to seek medical attention if symptoms persist.
- **Check the Forecast:** Before heading out, quickly check the weather forecast to be prepared for the day's temperatures and humidity levels.

We collect aluminum pull tabs to help support the Ronald McDonald House

They generate thousands of dollars from the pop tab collection program every year and that helps keep the lights on! That's important—the House is open 24 hours/day, 365 days a year. Please continue to bring in any of your pull tabs in support of this worthwhile cause.

Be sure to take advantage of our SilverSneakers® or Renew Active® memberships provided with your Medicare Supplemental Insurance. Membership provides FREE Pool Admission!

3 **ADVANCED TRX** Class uses the TRX suspension trainer that leverages gravity and the user's body weight to complete the exercises. This highly intensive conditioning class requires proficiency in the use of the TRX Suspension Trainer. THE CLASS WILL BE LIMITED TO 10 PARTICIPANTS.

**SilverSneakers/Renew Active DOES NOT APPLY to this class.*

3 **BOOM MUSCLE** Muscle-conditioning blocks and activity specific intervals to improve cardiovascular health and functional skill. This class is designed to work all major muscles with a variety of strength and conditioning exercises. This sculpting class will tone upper and lower body using various equipment like hand weights, body bars, TRX, and your own body weight.

2 **BOOM MOVE** Dance-inspired workout to challenge cardio fitness with easy-to-follow movement patterns. Perfect for the active older adult seeking a moderate-to-vigorous-intensity workout, exercising from a standing position.

2 **CIRCUIT** Standing upper-body strength work alternated with low impact cardio using a chair for standing support. A perfect 50+ class that incorporates stretching, balance, agility and strength, along with fun music. This class utilizes various equipment, such as weights, exercise balls, drumming sticks, and much more. A portion of the class is seated in chairs, no floor work.

2 **CLASSIC** Seated and Standing exercises to increase muscular strength, range of motion and activities for daily living.

1 **STABILITY** This class is designed to increase mobility and flexibility for all with limited range of motion. The program is especially helpful to those suffering the effects of Parkinson's Disease and Multiple Sclerosis. Exercises will focus on the four components of fitness: cardio, strength, flexibility and balance and are specifically designed to gradually improve overall fitness and to combat symptoms of disease.

2 **STABILITY+** Similar to our Stability Class, but more intense. This class has been set up for those with lesser mobility issues, but wish to improve their motion and flexibility.

1 **CHAIR YOGA** The chair serves as a stable foundation, allowing you to deepen your stretches, engage your muscles, and experience the benefits of yoga in a safe and comfortable manner.

2 3 **FOCUSED GENTLE YOGA** In this class you will move through traditional yoga postures focused on specific areas of the body. Each week will be a different area. Students may need to get on the floor, however, the use of a chair may be helpful for some. This is a great class for those who may be experiencing physical complaints or for anyone looking for a gentle movement and breathing practice.

2 3 **GENTLE YOGA** Standing & seated yoga poses to increase flexibility, balance and range of motion. Modifications for poses will be offered, but students must be able to get down to the floor and up again unassisted.

2 3 **YIN YOGA** is a gentle and relaxing style of yoga that works deeply into the connective tissues and joints. Students must be able to get on and off the floor unassisted.

3 **YOGA FLOW** Flow-based (continual movement between poses) class tying breath to movement between individual postures. Focus will be on strengthening, lengthening, and stretching through a creative series of postures in constant motion. In order to thrive in a flow based class, your body should be healthy and free of injury and you should have an understanding of the individual postures.

2 3 **YOGA PLUS** Pilates, Weights, Core & more. Yoga Plus intertwines components of your favorite yoga class with common weight training exercises, Pilates movements and more. In this class you will get all the benefits that yoga has to offer plus some cardio, strength training and toning as well. Each class will be different and will allow you to work at your own pace as you continue on your journey to build strength.

¹ No cost to participate. SilverSneakers/Renew Active will not be used for this class. Open to all.

Easy Summer Berry Salad with Honey-Lime Drizzle

This super simple salad lets the natural sweetness of fresh summer berries shine! It's incredibly quick to put together and perfect as a light side dish, healthy snack, or even a refreshing dessert. Yields: 4 servings Prep time: 5 minutes

Ingredients:

- 4 cups mixed fresh berries (strawberries, blueberries, raspberries, blackberries – whatever you have and love!)
- 1 tablespoon fresh lime juice (about 1/2 a lime)
- 1 tablespoon honey (or maple syrup for a vegan option)
- Optional: a few fresh mint leaves, thinly sliced or torn (for garnish and extra freshness)

Instructions:

1. Wash and Prep Berries: Gently wash all your berries and pat them dry. If using strawberries, hull them (remove the green leafy tops) and slice them into bite-sized pieces. Leave blueberries, raspberries, and blackberries whole.
2. Make the Drizzle: In a small bowl, whisk together fresh lime juice and honey until well combined.
3. Combine and Serve: Place the mixed berries in a serving bowl. Drizzle the honey-lime mixture over the berries and gently toss to coat.
4. Garnish (Optional): If using, sprinkle with fresh mint leaves just before serving.

Tips & Variations:

- No measuring Just eyeball the lime juice and honey – a little goes a long way to brighten the flavors.
- A small handful of chopped toasted almonds or pecans can be added for texture.
- A dollop of Greek yogurt or a sprinkle of crumbled goat cheese would also be lovely if you want a little more to it.
- This salad is best served immediately, but you can chill it for about 15-20 minutes before serving for an extra refreshing experience.

Enjoy this simple taste of summer!
