

2021 SAFETY TOWN AIDE VOLUNTEER APPLICATION (13-16 year olds)

Volunteering is a great way to give back to your community, and fulfill service hour requirements for school organizations. Volunteer hours will enhance your college application as well as scholarship opportunities. Below are (12) volunteer opportunities for teenagers to be teacher's aides in our Safety Town program. Please sign up for as many sessions as you are available to increase your opportunity of being placed as a Safety Town Teacher's Aide. With the addition of four new classes we may need aides to volunteer for multiple sessions. Please let us know on the application if you are able to do more than one session. Due to the number of volunteer applications we receive and choice of session, there is no guarantee that you will be placed as a volunteer aide.
